## READING UNDER THE STARS

Wegner Family Reading Night will be Tuesday, March 6<sup>th</sup> at 6:30pm. Wear your pajamas and bring your pillow to curl up with some great reads here at school, with your family. The Scholastic Book Fair will be here and open for you and your family members to shop this evening, as well. We are looking forward to seeing you and your family for an evening of fun and reading!

This week, we celebrate the students who have had their art chosen to represent Wegner School at Gallery 200 in West Chicago! There will be an open house at Gallery 200 for students and their families to view the art on March 1st from 4:30-6:00. Congratulations to our Wegner artists! The artwork can be viewed anytime during gallery hours during the month of March.

Wegner Choir sings “Gongxi Gongxi” to celebrate Chinese New Year. 3<sup>rd</sup>-5<sup>th</sup> graders also learned to count to 100 in Chinese and 5<sup>th</sup> grade GATE students presented “China Facts” to every home room. Our k-2<sup>nd</sup> grade students learned about Chinese New year traditions, learned to count to 10, and learned how to say several words in Mandarin Chinese.

In Health, we have been learning about how hard our hearts work since Valentine’s Day was this month! We figured out how many times our own hearts beat in 30 seconds in K-5<sup>th</sup> and made a Valentine card to our hearts to say thank you. We have also been learning about our teeth and the best ways to take care of them since February is dental health month.

### **GOLD MEDAL READERS**

Over the past few weeks, Wegner students have been introduced to a variety of “Gold Medal Books”! Curious minds have lead students to locate books on a variety of books to familiarize themselves on a variety of Olympic sports and athletes. In preparation of the upcoming President’s Day, students have also been brushing up on their American history, by checking out books on our past presidents and their many roles and accomplishments.

### **Ozzie’s Reading Club**

Ozzie's Reading Club is an eight-week reading incentive program sponsored by the Kane County Cougars. The program is open to children in grades K-8; and Wegner Elementary is proud to be a member of the Ozzie's Reading Club program.

Ozzie's Reading Club tracks the progress of a student's reading around the bases of a baseball diamond with the three bases and home plate representing two-weeks-worth of reading. Your child’s teacher determines his or her own reading requirements for each base. Students completing the program's requirements "hit a home run" and earn a free ticket a Cougars game on May 9th.

Help your child be a part of this great program by reading with him or her every day and signing their reading logs!
