Dear D33 Families and Staff:

Spring break is fast approaching and the promise of warmer weather and sunny skies brings hope that the long days of winter will soon be behind us.

Last night, the Board of Education approved the return to 4-days of in person learning beginning on Tuesday, April 13th with the option to continue remote learning until the end of the school year. Mondays will continue to be remote learning for ALL students. As well, the Board of Education also approved onsite COVID-19 testing for students and staff. You will receive more information soon.

Last week, we sent out a survey asking families to select either remote instruction or 4 days of in-person learning. If you have not completed the survey, we will assume you are selecting 4 days of in-person learning for your child. Please contact your building principal with any questions.

We look forward to welcoming back students to 4 days of in person learning on April 13. Have a wonderful weekend.

Sincerely,

Kristina Davis, Ed. S.
Superintendent
