

# WEST CHICAGO ELEMENTARY SCHOOLS

*Together for Excellence ★ ¡Juntos por la Excelencia!*

Friday, April 23, 2021

Dear D33 Families and Staff:

We are now two weeks into having students back in the classroom for in-person learning and the new safety protocols, and schedules are now becoming routine. We hope this has been a smooth transition for both remote and in-person learners.

I would like to take this opportunity to remind parents that if you have selected to have your child attend in-person, teachers are expecting your child in the classroom Tuesday through Friday and your child will be marked absent if not physically present in school. If your child is sick or experiencing symptoms related to COVID-19, please keep them home and call the attendance line to report their absence. Students who are reported sick may participate in the online academy.

As a reminder, District 33 is offering FREE COVID-19 testing to all students and their family members. Testing is available to all students at their home school and all family members at our D33 COVID Testing Facility located in front of Pioneer School. Please consider utilizing this service if your child or family member is experiencing COVID like symptoms. It is quick and convenient. Results are received within 24 hours.

A committee of teachers, administrators, parents and community members has been meeting to develop a new strategic plan for the district. We would like to invite you to participate in an online focus group to provide feedback on the planning team's work. During this 90 minute session, participants will review data about the district, and then provide feedback on the strategic planning team's assessment of the district based on that data. Your feedback is important to the strategic planning process, which will influence the direction of the school district over the next 5 years

This session will be held virtually through Zoom.

**Date:** Tuesday, April 27

**Time:** 7:00pm - 8:30 pm

**Virtual:** Zoom

The link to join the meeting can be found on our website [here](#).

Sincerely,

Kristina Davis, Ed. S.  
Superintendent
